

2008 Mary & Lucian Cassetta Music Scholarship Competition

The Anchorage Symphony Orchestra is proud to once again extend an invitation to south central area high school music students to participate in the annual Mary and Lucian Cassetta Music Scholarship Competition. This year's competition will be held on Tuesday, April 8th, beginning in the late afternoon at the Sydney Laurence Theatre of the Alaska Center for the Performing Arts.

Mary Cassetta was a trained musician and professional vocalist, and her dedication to music was expressed through her twenty years of work with Anchorage music organizations. These included the Anchorage Symphony Orchestra, Alaska Festival of Music and the Anchorage Concert Association. Mary knew how important it is for young musicians to have the opportunity to develop their talents, and she became more aware of this after receiving a music scholarship to the Chicago School of Music.

Following her death, the Mary Cassetta Memorial Scholarship Fund was established in order to encourage the development of talent in young Alaskans. The scholarship title was changed to include Mary's husband Lucian who passed away in 1995.

Due to your involvement with young Alaskan musicians, the ASO wants to bring the competition to your attention. Perhaps one of your students will be the recipient of the \$1,000 scholarship!

Application Process:

The competition is open to high school **SENIORS** who display talent, dedication to music and a serious commitment to an advanced study program in a recognized music school or music camp. Competition is open to both instrumentalists and vocalists.

Competition applicants must provide the following:

- A completed application (enclosed)
- A recommendation from the individual's music instructor on the degree of the student's commitment submitted separately to the scholarship committee.
